

BlueAce Water Technology

Safety Data Sheet (SDS)

This document is a general Safety Data Sheet template for BlueAce Stage 1 and Stage 2 membrane cleaning chemicals. Product-specific testing and regulatory information should be completed before commercial distribution.

1. Product Identification

Product: BlueAce Stage 1 / Stage 2 Membrane Cleaner
Recommended Use: RO Membrane Cleaning

2. Hazard Identification

Avoid contact with eyes and skin. Do not ingest. Use only in well-ventilated areas.

3. Composition

Proprietary cleaning formulation. Exact composition may vary by product.

4. First Aid Measures

Eyes: Rinse with water for at least 15 minutes.
Skin: Wash with soap and water.
Inhalation: Move to fresh air.
Ingestion: Seek medical attention immediately.

5. Fire Fighting Measures

Use water spray, dry chemical, foam, or carbon dioxide as appropriate for the surrounding fire.

6. Handling and Storage

Store in original container in a cool, dry, well-ventilated location. Keep container tightly closed.

7. Exposure Controls / PPE

Wear chemical-resistant gloves, safety goggles, protective clothing, and suitable footwear.

8. Spill Response

Contain spill, absorb with inert material, collect for disposal, and wash the area with water.

9. Disposal

Dispose of contents and container according to applicable local environmental regulations.

10. Emergency Contact

Contact your local emergency services or poison control center in case of accidental exposure.

Important Notice: *This SDS is provided as a general template and is not a substitute for a manufacturer-certified Safety Data Sheet prepared using the final chemical formulation.*
